

# Digital War Memorial

## Project Credits

### **We Are What We Do**

We Are What We Do is a not-for-profit product design and behaviour change company. They are the developers of the digital war memorial online platform, which is available on Historypin, a free digital platform for people to share, explore and collaborate around local history.

### **Northern Stars**

Northern Stars is a project that develops young filmmaking talent in the North East of England, providing talented young people with the opportunity to learn from industry. Northern Stars produced a number of short films documenting the digital war memorial project and the impact it has had upon its participants.
